SAY 'YES' TO VBS!

Now is the time to begin planning for your Spring Break or Summer Time Vacation Bible School. Vacation Bible School programs provide a great way to build relationship with kids in your community. Host a Spring Break VBS and invite kids to your Spring Break Camp. Or run your VBS in summer as a Backyard Club or as a Day Camp. VBS can also be used in the September to welcome kids back from their summer away.

Below we have highlighted the seven VBS packages that we officially promote. This means that we can offer a 25% discount on some of the items from Group, Gospel Light and Standard Publishing and we offer a 25% discount on all the items from WordAction and David C. Cook.

You can order the starter kits for any of these VBS packages from the on-line catalogue at: www.salvationist.ca/catalogue. If you would like to receive a VBS printed catalogue, send an email message to: christian_education_orderdesk@can.salvationarmy.org or phone: 416-422-6124 and let us know which catalogue/s you would like to receive. Quantities of catalogues are limited so request your copies soon.
