DECISION TOOLS

One of the greatest responsibilities we have in children and youth ministry is inviting young people to accept Jesus Christ as their personal Saviour. Evangelism is a great responsibility and one that we don't always feel equipped to carry out. Sometimes, we feel uncomfortable with it and are unsure of what to say or do. Have you ever consider using any of these tools to help you?

WORDLESS BOOK – Colors tell the Gospel story! One of the most popular tools for witnessing, the Wordless Book presents the salvation message using five colored pages to represent Heaven and God's love, the darkness of sin, the blood of Christ, a clean heart and Christian growth. Each book comes with a free instruction leaflet. Regular (3.5" x 3"). To learn more or to order your own copy visit: cefcanada.org to find the nearest Children Evangelism Fellowship office.

FLIP FLAPPER – You'll flip over this great Gospel tool! Children will be fascinated as you share the Gospel using this innovative new tool! Flip the flaps to reveal symbols and colors representing Heaven and God's love, the darkness of sin, the blood of Christ and a clean heart. The green of the Gospel Flipper-Flapper represents Christian growth. Keep one in your pocket or purse to share the Gospel at a moment's notice! To find out more or to order your own copy visit: cefcanada.org to find the nearest Children Evangelism Fellowship office.

EVANGECUBE – EvangeCube is a seven-picture cube that simply and clearly unfolds the Gospel of Jesus Christ. The perfect evangelism tool for parents, kids, pastors, youth leaders, Sunday school teachers, missionaries, lay leaders and more. To find out more or to order your own copy visit: www.evangelcube.org.

AGE APPROPRIATE DECISION PAMPHLETS – Colorful cartoon booklets in four age categories, designed to be used to lead a child to a decision for Jesus. Choose from: Life is Full of Choices (ages 4-6), It's My Choice (ages 6-8), Life is Full of Decisions (ages 8-11) and Making Choices... (teens). These can be ordered online at www.salvationist.ca/catalogue.

As you plan and prepare for this summer's VBS, day camps, camping ministries or even for your fall programming, be sure to consider the tools you will use to lead children and youth to Christ.
